Varun Kumar Margana

34-3-41 Mandela vari street, Palakol, 534260 | varungoud873@gmail.com | +91 8179569047

Profile

Recent Computer Science graduate with strong skills in Python, Java, and problem-solving. Experienced Data Science Intern with expertise in data analysis, machine learning, SQL, and Tableau. Developed predictive models and automation to improve efficiency during an internship. Passionate about technology, innovation, and continuous learning, with strong strategic thinking and analytical abilities.

Technical Skills

- Languages : C, Java, Python, SQL
- Web Technologies : HTML, CSS
- Databases : MySQL
- Machine Learning & AI : Machine Learning, Deep Learning, NLP, Predictive Modeling
- Computer Vision : Face Detection, Image Processing, ML Kit
- Data Visualization : Tableau
- Tools : PowerPoint, Scikit-Learn, Tensor flow

Experience

Pantech-elearning, Data Science Intern, Hyderabad (June 2023 - August 2023)
- Audited and analyzed large datasets ensuring accuracy and consistency.
- Worked on text/image-based classification tasks requiring precision and high attention to detail.
- Implemented natural language processing algorithms for text-based analysis tasks.
- Validated and optimized models to improve accuracy and reliability.
- Demonstrated ability to sustain focus while handling repetitive tasks under tight deadlines.

Projects

Sentiment Analysis of Product Reviews
- Built a classification model to identify product review sentiments (positive, negative, neutral). Demonstrated strong observation and accuracy in handling text-based data. Tools: Python, NLP, SQL, Tableau.

Face Detection with ML Kit
- Implemented real-time face detection using ML Kit's API. Required high focus, attention to detail, and precision in handling video/image data.

Library Management System
- Designed database and user interface, ensuring data accuracy and logical consistency using SQL.

Health Administration
- Worked with health data systems and understood integration of IT in record management, demonstrating compliance and attention to sensitive data.

Education

- B. Tech in CSE – AIML | Swarnandhra Institute of Engineering & Technology (2020 – 2024) | CGPA: 6.8
- Intermediate (MPC) | Aditya Junior College (2018 – 2020) | CGPA: 5.6
- SSC | Sri Sai Chaitanya Techno School (2017 – 2018) | CGPA: 8.8

Certifications

• Fundamental Cryptography – Infosys Springboard
• Deep Learning for Developers – Infosys Springboard
• HTML – Infosys Springboard
• Microsoft Azure Fundamentals – Microsoft
• C Programming – BDPS Institute

Strengths

• Attention to Detail & Accuracy
• Strong Observation Skills
• Productivity & Time Management
• Focus & Concentration

Languages

• English
• Telugu

Declaration

I hereby declare that all the details mentioned above are in accordance with the truth and facts as per my knowledge and I hold the responsibility for the correctness of the above-mentioned particular.
